DETAILED ACTION

Papers Received

Receipt is acknowledged of the applicant's amendment, response, and petition for extension of time, all received on 23 December 2003

Response to Amendment

The reply filed on 23 December 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicant has cancelled all previously pending claims and drafted a new set of claims, the scope of which is significantly different from the claims that had been previously prosecuted. The previously claimed invention was drawn to composition containing calcium oxide and anhydrous magnesium sulfate as required ingredients. The current claims are primarily directed to a free-flowing composition containing an acid salt of calcium and magnesium sulfate of unspecified hydration. Such a shift in the instantly claimed invention does not constitute a complete response. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
